Application #PCT/US02/25668 - filed on August 12, 2002 - designating the United States

Declaration relating to Daniel Y. Kerstein

I, Patrick Romain, declare as follows: I am First Vice President, Senior Counsel, Corporate Law in the Office of General Counsel of Merrill Lynch & Co., Inc.

I have personal knowledge of the following facts: Mr. Daniel Y. Kerstein left the employ of Merrill Lynch on December 6, 2002. Prior to that date the specification, drawings, and claims as filed with the Patent Office for each of the applications listed above were made available to Mr. Kerstein in several different ways.

On about December 20, 2002 I presented Mr. Kerstein with an inventor's declaration for each of the applications listed above. I did this by delivering this to him at his last known address which is 1000 Barberry Lane, Woodburgh, NY 11598. The reason why I know they were delivered is a tracking notification from UPS, a copy of which is attached. Also attached is a copy of the UPS label and a copy of a cover letter dated December 19, 2002.

Mr. Kerstein has not responded to my December 19, 2002 letter, and I construe this as a refusal to sign.

On or about January 6, 2003, I was advised that Mr. Kerstein is represented by counsel, namely Mr. Charles Wertman, Bienefeld & Wertman, 26 Broadway, 21st floor, New York, NY 10004. For this reason I am now unable to correspond with Mr. Kerstein directly. On January 22, 2003, I sent a letter to Mr. Wertman, a copy of which is attached along with some of its attachments. The letter included a complete set of the applications as filed, including specification, claims and drawings, for the applications listed above. The letter also included a complete set of inventor's declarations for the applications listed above. I know that the package was delivered because of a delivery control ticket, a copy of which is attached, showing delivery.

I have not received signed papers from Mr. Wertman or from Mr. Kerstein after sending this letter. I construe this as a refusal to sign.

I make these statements under penalty of perjury.

Patrick Romain

Dear Dan:

As you may recall, you executed documents relating to the Contingent Payment LYONS patent applications last month. Due to a minor change in inventorship in the applications, new Declarations need to be executed by the inventors. Therefore, I am enclosing four Declaration documents. I would appreciate your signing and dating the documents where indicated and returning them to me using the enclosed overnight return label.

Please feel free to contact me at the above-listed number, or Jill Gaffney at (212) 670-0429, if you have any questions. Thank you for your help with this matter.

Very truly yours,
